### Contributor Information

New Jersey Republican State Committee Contribution Information: Proceeds will benefit the New Jersey Republican State Committee. New Jersey law prohibits entities operating in certain regulated industries (casinos, financial institutions, insurance companies, utilities) from contributing. Election Law allows contributions with a limit of \$79,000 annually from individuals, PACs and corporations.

A partnership or limited liability company may not contribute as an entity. However, a check from a partnership or limited liability company may be accepted so long as it is accompanied by a letter allocating the contribution to the individual partner(s) or member(s) and is signed by each contributing partner or member. The letter must include each contributing partner's or member's home address. A partner's or member's total contribution, through the partnership or limited liability company and personally, cannot exceed the \$79,000 annual limit. Contributions are not deductible for income tax purposes.

Contributions made to the federal account must be made with personal funds and are not deductible as charitable contributions for federal income tax purposes. Contributions made to the federal account are subject to federal contribution limits. The maximum allowable contribution per person is \$10,000 per year (\$20,000 per couple), \$5,000 per year for a multi-candidate PAC, and \$10,000 per year for a single candidate PAC.

**\*\* Contributions to the federal account from corporations, labor unions, federal contractors and foreign nationals are prohibited.**

All funds solicited in connection with this event are solicited by the New Jersey Republican State Committee and not any federal officeholder. KC Crosbie is not soliciting any funds as an agent of the RNC.
